

Welcome to the Vancouver Hairdressing Academy and congratulations on beginning an exciting new career. Please take some time to review these policies and procedures.

MISSION STATEMENT

To provide our students with the most intensive professional hairdressing training possible, focusing on the technical, behavioral and service skills that will ensure our graduates are truly prepared to enter into any professional salon environment and have a prosperous, rewarding career in hairdressing.

Dispute Resolution Policy:

Vancouver Hairdressing Academy provides an opportunity for students to resolve disputes of a serious nature and grades appeals in a fair and equitable manner.

The policy applies to all Vancouver Hairdressing Academy students who are currently enrolled or were enrolled 45 days prior to the submitting their concern to the Senior Educational Administrator.

Only grades received on mid-term or final assessments may be appealed. Grades received for assignments or weekly quizzes may not be appealed.

Procedure for Student Disputes:

1. When a concern arises, the student should address the concern with the staff member most directly involved. If the student is not satisfied with the outcome at this level, the student should put his/her concern in writing and deliver it to the Academy Coordinator and/or Instructor on duty.
2. The Senior Educational Administrator will arrange to meet with the student to discuss the concern and desired resolution within 5 school days of receiving the student's written concern, or as soon as practicable.
3. Following the meeting with the student, the Senior Educational Administrator will conduct whatever enquiries and/or investigations are necessary and appropriate to determine whether the student's concerns are substantiated in whole or in part. Those inquiries may involve further discussion(s) with the student either individually or with appropriate Vancouver Hairdressing Academy personnel.

4. The necessary enquiries and / or investigations shall be completed no later than 10 school days following the receipt of the student's written concerns. The Senior Educational Administrator will do one of the following within 10 days of receiving the student's written concerns:
 - a. Determine that the student's concerns are not substantiated; or
 - b. Determine that the student's concerns are substantiated in whole or in part;
 - c. Determine that the student's concerns are frivolous and vexatious.

The student and the institution's personnel involved shall receive a written summary of the above determination. A copy of all documentation relating to every student's complaint should be signed by all parties. A copy shall be given to the student, a copy will be placed in the school's Student Conduct File, and the original will be placed in the student file.

5. If it has been determined that the Student's concerns are substantiated in whole or in part the Senior Educational Administrator shall include a proposed resolution of the substantiated concern(s).
6. If the student is not satisfied with the determination of the Head Instructor, the student must advise the Head Instructor within 48 hours of being informed of the determination. The Head Instructor will immediately refer the matter to the Owner of the Institution. The Owner of the institution will review the matter and meet with the student within 5 school days.
7. The Owner of the institution shall either confirm or vary the determination of the Head Instructor. At this point the School's Dispute Resolution Process will be considered exhausted.
8. If the issue is of a serious nature the Owner of the School may, in his/her sole discretion and cost, engage the services of a third party mediator to assist in the resolution of the dispute.
9. The student may be represented by an agent or lawyer if needed.

Procedure for Grade Appeal:

1. If a student is dissatisfied with the grade received for a mid-term or final course assessment and can provide evidence that a higher grade is warranted he/she should discuss with his/her instructor. The instructor will reconsider the grade and, if warranted, assign a different grade.
2. If the student is not satisfied with the outcome of his/her appeal to the instructor, he/she should submit a written appeal to the Senior Educational Administrator.
3. The Senior Educational Administrator will obtain a copy of the mid-term or final assessment from the instructor and will have the assessment re-marked by another instructor.

4. If the assessment achieves a higher grade on re-mark, the higher grade will be assigned to the student. If the assessment achieves a lower grade on re-mark, the original grade will be retained.
5. If a grade appeal is reviewed by the Senior Educational Administrator, the grade assigned following the re-mark and review will be final and cannot be appealed further.

Student Attendance Policy:

Vancouver Hairdressing Academy recognizes that good attendance is directly related to student success in completing a program of study. The policy applies to all students who are currently enrolled or are enrolled at any future time. Students registered for full-time study are scheduled to attend classes for twenty four hours each week.

Students are expected to attend classes as scheduled. Students who will be absent must contact the school either by telephone or email at *604.681.1453* or *info@vancouverhairacademy.com* before the time that they are scheduled to start class. The student is responsible for completing all assignments missed during the absence.

Absences for medical or emergency reasons are considered "excused" absences if the student provides documentary evidence of the reason for the absence such as a doctor's note. This note must be produced by the student at the next class attended in order for the absence to be accepted as "excused." There will be no exceptions to this rule.

A student will only be allowed 3 "excused" absences before the student will have to complete an extra day of instruction for each day missed after those 3 "excused" days to make up the lost hours. Each additional day costs \$200.

A student will be allowed a maximum of 6 excused absences before being dismissed from study.

Absences that are not "excused" are subject to the following:

- Students who are absent for 2 scheduled classes will receive an attendance warning letter.
- Students who are absent for 3 scheduled classes will be placed on probation and have to complete an extra day of instruction for each day missed to make up the lost hours. Each additional day costs \$200.
- Students who are absent for 4 scheduled classes will be dismissed from study.
- Students who are absent for 2 consecutive scheduled school days without contacting the school will be dismissed from study.

Students having difficulty meeting these attendance requirements should contact the Head Instructor.

1. The Head Instructor Administrator prepares a class list for each instructor on Friday afternoons. These lists are distributed for use during the following school week.
2. Instructors take attendance at the beginning of each class noting students who are absent.

3. Completed weekly attendance sheets are returned to the Senior Educational Administrator on Friday afternoon. The Head Instructor enters each student's attendance in the student's personal attendance record. The completed weekly attendance sheets are filed in the Attendance Binder.
4. While entering attendance, the Head Instructor reviews the overall attendance for the students that are of concern with respect to attendance.
5. The Head Instructor issues an attendance warning letter to any student who has been absent for 2 scheduled classes.
6. The Head Instructor meets with students who have been absent for 3 scheduled classes and places the student on probation and explains the necessity to complete the absent hours in order to graduate.
7. The Head Instructor meets with student who have been absent for 4 of scheduled classes and dismisses him/her from study.
8. The Head Instructor sends a dismissal letter via Canada Post to any student who has been absent for 3 consecutive scheduled school days without contacting the school.

Punctuality:

Students are expected to be on time. Students must be on campus and ready to begin their day by 10am each morning. Tardiness is defined as signing in any time after the scheduled starting time, which is 10am. Students must also notify the VHA when they know they may be late by calling 6046811453 for Vancouver or 6043723000 for Surrey.

If a student is determined to be tardy more than 3 times, the student will be issued a written warning outlining the consequences of any subsequent tardiness, which will be to mark the student as absent and not admit the student in to the VHA on the day of the latest infraction. This will count as an "unexcused absence" and if a student is tardy a 5th time and each subsequent time, they will also be sent home, again, counting as unexcused absences.

At this point, the repercussions related to Student Attendance Policy regarding absenteeism will be applied.

Admission Policy:

VHA is committed to enrolling students who meet all of our program admission criteria and who are likely to succeed in meeting their education and career goals.

Procedure:

1. The institution's receptionist refers all inquiries to the admission representative.
2. The admission representative meets with the prospective student to discuss the program.
3. Once the student has decided on registration, the admission representative reviews the admission criteria for the program with the student to ensure that he/she meets all of the criteria.

4. The admission representative obtains evidence (e.g. transcript, proof of age, etc.) from the student that he/she meets all of the program's admission criteria and places the evidence in the student file. **The admission criteria cannot be waived by either the school or the applicant.**
5. After receiving evidence that the prospective student meets all of the admission criteria, the admission representative prepare a Student Enrolment Contract and meets with the prospective student to review the policies that will affect the student during his/her completion of the program of study and to review the contract. If, after understanding their rights and responsibilities, the prospective student wishes to sign the contract, the admission representative arranges for the prospective student to meet with the Academy Coordinator.
6. The Academy Coordinator meets with the prospective student to discuss his/her educational goals and commitment to completing the program of study. Financial arrangements for payment of tuition and other fees is also discussed.
7. If the Academy Coordinator and the prospective student agree on a financial arrangement, they sign the contract and the school owner delivers a copy of the signed contract, along with a copy of all student policies to the student.
